

BLUEWHALES™
Standard Clean

A person is sitting on a wooden dock that extends into a calm lake. The lake's surface is like a mirror, reflecting the surrounding landscape. On the left, there are green reeds and some rocks in the water. The right side of the lake is bordered by a steep, forested mountain slope. In the background, majestic mountains with patches of snow or light-colored rock rise against a clear blue sky. The overall scene is peaceful and scenic.
